Complainant,

v.

Case No. 11-FY-2023

Alicia R. Trimble,

Respondent.

CONSENT AGREEMENT AND ORDER

After due investigation of a written complaint, the West Virginia Medical Imaging & Radiation Therapy Technology Board of Examiners (Board) determined that there was probable cause to believe that Alicia R. Trimble (Respondent) performed medical imaging procedures in West Virginia without a valid West Virginia medical imaging license in violation of the provisions of West Virginia Code Sections 30-23-2(a), and 30-23-22. Respondent was provided with written notice of the allegations against her pursuant to the rules of the Board and the laws of this State.

Now, in lieu of hearing, the parties have reached an agreement as to the appropriate disposition of this matter, with consideration to the necessary safeguards for protection of the public, and do hereby agree to the following Findings of Fact, Conclusions of Law, and Order.

FINDINGS OF FACT

2. On April 17, 2023, the Board initiated a complaint against Respondent pursuant to West Virginia Code Section 30-23-25 for performing medical imaging procedures in West Virginia without a valid West Virginia medical imaging license.
3. Respondent is employed with Jackson General Hospital as a nuclear medicine technologist.
4. Respondent originally obtained her license in nuclear medicine on August 9, 2013.

7. Respondent saw patients during this time frame until she realized that her license had expired.
8. By letter dated April 19, 2023, Respondent admitted the allegations in the Board's complaint.
9. An Informal Conference was held on April 21, 2023, regarding this matter before the Board's Ethics Committee. In attendance to discuss the facts and circumstances of this matter with the Board's Ethics Committee were Respondent and her supervisor at Jackson General Hospital, Steven Radabaugh.

10. The Board's Ethics Committee recommended a finding of probable cause in violation of West Virginia Code Sections 30-23-2(a) and 30-23-22.

11. The Board's Ethics Committee further acknowledged that Respondent has taken full responsibility for her actions and has taken steps to prevent her license from lapsing in the future.

12. The Board, at its April 21, 2023, meeting, did by unanimous vote, find probable cause that Respondent violated West Virginia Code Sections 30-23-2(a) and 30-23-22.

13. Respondent's actions constitute a violation of West Virginia Code Sections 30-23-2(a) and 30-23-22.
