**I. CALL MEETING TO ORDER**

**II. RECOGNIZE GUESTS**

There were no guests in attendance at the Board Office.

**III. ACCEPT AGENDA**

A motion was made by Eva Hallis to accept the Agenda as presented.

**IV. MEDICAL IMAGING IN A QUARANTINE SETTING**

A request was received by the West Virginia Medical Imaging & Radiation Therapy Technology Board of Examiners (**Board**) to allow nurses to perform "...diagnostic xray in a quarantine unit...". It was noted that a provision within the existing Code allows a "licensed practitioner" to perform diagnostic x-rays. WV Code 30-23 defines a licensed practitioner as "*a person licensed in West Virginia to practice medicine, chiropractic, podiatry, osteopathy or dentistry*".

After careful consideration and review of all the available information, Ms. Hallis recommended the Attorney for the Board, (Katherine Campbell), draft a letter rejecting the request of West Virginia University Hospital and stating that the Board does not accept the request to allow a nurse to perform medical imaging procedures during a quarantine setting and/or in the state of enforced isolation as described in the October 19, 2014 email received from Dee Headley, Administrative Director - Radiology of West Virginia University Hospital.

Additionally, ask that Ms. Campbell include a copy of the provision of WV Code 30-23 that allows a "Licensed Practitioner" to perform medical imaging procedures and include the definition of a licensed practitioner.

**V. ADJOURN**

Ms. Hallis made a motion to adjourn the Conference Call at 1:40pm.
